DRY TREES **LADDERS**

CANDLES

EXTENSION CORDS

BE_SAFE

- * Christmas Trees Water trees regularly. Dry trees can burn faster than newspaper. They can be completely covered in flames in seconds.
- * Ladders Heed warnings on ladders. Tens of thousands of people are treated for injuries related to ladder falls in November and December.
- **Cords** Always look for the marking of a recognized testing lab. Don't overload extension cords and power strips.
- Holiday Lights Prevent fires and shock. Throw out damaged or frayed light sets.
- **Candles** Be careful with candle placement. Candle fires cause millions of dollars of property damage each year.
- **Decorations** Avoid sharp, breakable decorations in homes with young children.
